# Give your old tech a new Home!

enable

Good for the environment  
Provides employment pathways  
Gives back to those in need

Event running from:

Until:

Drop point location:

## How it works?

We will drop off **DONATE HERE** secure 240L **Wheely Bin** (58.2 cm length, 74 cm width, 1072 cm height) and/or **Tub** (65 cm length, 41 cm width, 27 cm height) prior to the event at your Melbourne office.

## What devices can be donated?

Working laptops, notebooks and tablets (with power supply units).

## What happens to the donated tech?

The Tech is collected from your site by Enable crew and transported to our warehouse in Broadmeadows. The crew carefully test and undertake data wipe/factory reset of all devices using commercial grade data sanitisation standard NIST 800-88.

Suitable working equipment is prepared for our “Circular Tech” fleet and readied for sale online [www.intheclick.org.au](http://www.intheclick.org.au) to support affordable tech for those most in need.

## Ready for a Collection?

Simply call or text **0490 778 588** to arrange collection.  
We can provide a list of assets collected and data sanitisation and E-Waste certificates for your ESG reporting as required.
